Dear Harold;

After I spoke to you on Saturday I phoned David Rintels and told him about our conversation and the information you have that he might be able to incorporate in the Watergate show they are doing. He told me that they are doing a fictionalized version and it will go up to the break-in only. Why they are doing this as fiction I can only guess at. It must be that as it is going on a TV network they are afraid to do it in the manner of AllThe Presidents Men which was a theatrical release. At any rate he took your phone number but I don't know if he will make use of it as he seemd to indicate that they wouldn't use factual material if it was new or not publicaly known. I told hime that you had things that were startling. So I guess we will have to see what happens.

Today I spoke to Wexler about Lanes haveing contacted him to go to Memphis a photograph interviews. He said that Lane had not contacted him after the first time. I also warned him about what Lane and Freed were up to , visiting Jimmy and ripping you off. He seemed to take heed of what I said. He is very interested in MLK bu as I said before he is in the middle of another project that he most complete but we will keep in touch. I just got home and found your latest letter but have not yet had a chance to go over all of it. I am encloseing a check for $200. Please make whatever use of it you and Jim feel would be best. Do me a favor and treat Lil to a dinner out of it and tell her I wish I could be along with you. I hope Judge Green comes through for all of US. Glad you feel a little more encouraged and also healthwise. My best to Lil and Jim.

the best always,

Paul
